

INDICATES BALCONY RAILING VERTICAL SUPPORTS @ 4'-2" O.C., TYP. ALL FLOORS NORTH & SOUTH TOWERS

BALCONY SCUPPER LOCATIONS ON E. OF VERT. BALCONY RAILING SUPPORTS, TYP. ALL FLOORS NORTH & SOUTH TOWERS

- LEGEND
1. Backfill
 2. Landscaping
 3. Tree grate
 4. Planter with drain(s)
 5. Paving striping (typical) 4" or special shapes-white
 6. Precast conc. stop (typical) 6"x6"x6', 3000 psi w/2#4 @ vert. w/2#4 dowel vert.
 7. Conc. walk: 4" w/6X6-10/10 wwf
 8. Conc. service drive: 6" w/2 layers 6X6-10/10 wwf
 9. Conc. drive: 5" w/2 layers 6X6-10/10 wwf
 10. Tooled joint
 11. Expansion joint
 12. Isolated slab
 13. Concrete beam-refer to structural documents
 14. Concrete column-refer to structural documents
 15. Concrete retaining wall-refer to structural documents
 16. 8"x6" minimum concrete cap w/2#5 @ cont.
 17. 6"x12" conc. curb w/2#5 @ & 3/4" r. corner
 18. Insulating concrete
 19. CMU
 20. Metal ladder: 2"x3/8" stringer w/ 3/4" @ inset rungs (non-slip) Provide 2"x2"x1/4"x2" angle @ bottom (3/8" @ exp. bolt to conc. & weld to stringer). Provide 2"x2"x1/4" angle clip bolted to separator beam/wall @ top.
 21. Metal angle
 22. Wood ground/nailer/blocking-P.T./F.R.T.
 23. Asphalt dampproofing
 24. Cementitious dampproofing
 25. Water repellant
 26. Membrane waterproofing w/protection board
 27. Membrane roofing
 28. Metal base flashing
 29. Metal stucco-stop counterflashing set in mastic & nailed through same metal cont. 1"th strip
 30. Metal gutter and downspout
 31. Scupper
 32. Sealant
 33. Hollow metal frame
 34. Alum. sliding glass door
 35. Alum. storefront system
 36. Colling door
 37. Metal lath
 38. Metal suspension system
 39. Metal casing bead
 40. Metal vent/drip
 41. Metal corner bead
 42. Metal "w" construction joint
 43. Metal 2" "C" screed
 44. Gypsum wallboard
 45. Metal stud partition
 46. Furring
 47. Cement plaster/stucco
 48. Sprayed texture finish
 49. Continuous base
 50. Marble
 51. Tile/paver
 52. Rustic terrazzo
 53. Acoustical panels
 54. Tenant lockers
 55. Fire extinguisher w/mount. bracket
 56. Fire extinguisher w/recessed cabinet
 57. Trash chute
 58. Drain
 59. Slope 1/8"/ft. to drain
 60. Concrete slab-refer to struct. doc's.
 61. Alum. sliding window
 62. Finish grade line
 63. Steel framing, see structural documents
 64. Aluminum skylights
 65. Structural alum. tube framing, see struct. documents.
 66. Wheel guard
 67. Float finish
 68. Storm shutters
 69. Walkway
 70. Safe
